Noon Saakin and Tanween

A noon saakin (نْ) and tanween are considered the same because the sound of a tanween sounds just like a noon saakin. Because of this similarity, the two take the same rules.

Example:

Tanween							
انْ	an	أَنْ	an	بْ	ban	بَنْ	ban
ونْ	un	أُنْ	un	بُنْ	bun	بُنْ	bun
ينْ	in	إِنْ	in	بِ	bin	بِ	bin

Ith'haar

To pronounce the letters from their makhraj, clearly and distinctly, without any changes.

- Presence of نْ or tanween
- followed by any letter of the throat ء ه ح خ ع غ
- نْ or tanween is pronounced clearly, there is no ghunnah

Examples

Idghaam

The 6 letters of Idghaam are collected in the following word : (يَرْمِلُونِ يَرْمَلُونَ)

Two types of Idghaam :

1. Without ghunnah
2. With ghunnah

Idghaam without ghunnah

It is called the complete idghaam and its determining letters are ل and ر

- Presence of Noon Sakin or tanween
- followed by ل Or ر
- ل Or ر gets a shaddah ّ
- ghunnah is not pronounced
- (this means a complete assimilation where no trace of the ن sound is left)

Idghaam with ghunnah

It is called the incomplete idghaam, and its four determining letters are collected in the word (ي م و ن)

- Presence of ن or tanween
- followed by any of the following : ي م و ن
- ghunnah is pronounced, 2 counts
- (this means that some of the ن sound will be heard as it is incomplete blending or assimilation)

The rule of idghaam will be applied on a ن provided it is the last letter of the word. If it appears in the middle of a word, then there will be no idghaam.

There are only 4 such words in the entire Qur'an to which this rule applies

Iqlaab

The changing of a sound from its original makhraj, in this case changing the ن or tanween into a م

- Presence of ن or tanween
- followed by ب which is vowel led
- Turn the ن into a م sound
- ghunnah is pronounced, 2 counts

Extract from Verse
إِلَّا مِّنْ بَعْدِ

لَيُبَيِّنُ

Ikhfaa

The concealment of the ن sound

- Presence of ن or tanween
- followed by any of the 15 remaining letters of the alphabet
- These are

ت ث ج د ذ ز س ش ص ض ط ظ ف ق ك

- ghunnah is pronounced, 2 counts
- (this ghunnah is slight, not too deep, unlike the idghaam and ن or م)

Method for pronouncing Ikhfaa When an ikhfaa occurs, the makhraj of the ن or tanween is ignored and instead it is pronounced at or near the makhraj of the letter of ikhfaa.

Therefore, the reader should make his tongue distant from the makhraj of the ن and close to the makhraj of the letter of ikhfaa during ghunnah, ready to pronounce the letter of Ikhfaa.

ghunnah can be pronounced as thick or thin depending on whether a thick or thin letter follows.

Noon Sakin (نْ) or tanween followed by thick letter = thick ghunnah

نْ or tanween followed by thin letter = thin ghunnah

To pronounce the ghunnah thick, the mouth should be positioned as a dome shape, and then ready to pronounce the thick letter

Example

The definition of the Meem saakinah

It is a **Meem** free from any vowel, and which has a fixed sukoon when continuing reading and when stopping.

This excludes the Meem that was originally without a vowel, but obtained one because the next letter also had a sukoon. In the Arabic language it is not allowed to have two non-voweled letters next to each other; one will automatically obtain a vowel to eliminate this problem.

The Meem saakinah can be in the middle of a word or at the end of a word. It can be in a noun, a verb, or a preposition or particle.

Included in the Meem saakinah rules is (the meem of plurality). A Meem saakinah at the end of a word can sometimes, but not always indicate a plural, such as the possessive “their”

or “your” or “them”, such as لَكُمْ which means: for you plural, or لَهُمْ, which means, “they have”

There are three rules regarding the Meem Saakin

1. Ikhfa Shafawi
2. Idghaam Shafawi
3. Idhaar Shafawi

These will now be explained below

1. Ikhfa Shafawi – Meem Saakin:

When the letter Ba (ب) appears after a Meem Saakin (مْ) there will be Ikhfa Shafawi. It will be pronounced with a light nasal sound in the nose for a duration of 2 harakah (2-3 second duration).

Example:

ب ← مْ
أَفْتَرَى عَلَى اللَّهِ كَذِبًا أَمْ بِهِ جِنَّةٌ

2. Idghaam Shafawi – Meem Saakin:

If after a Meem Saakin (مْ) there appears a Meem Mushaddah (مّ), Idghaam will occur. In other words, the two Meems will become incorporated and be read with Ghunna (nasalization).

Example:

مّ ← مْ
وَيَجْعَلُونَ لِلَّهِ الْبَنَاتِ سُبْحَنَهُ وَلَهُمْ مَا يَشْتَهُونَ

3. Idhaar Shafawi – Meem Saakin:

When after a Meem Saakin (مْ) there appears any of the 26 letters other than the letters Ba and Meem, there will be Ithaar Shafawi. No Ghunna will occur.

Example:

24 Letters ← مْ

وَكَذَّبَ الَّذِينَ مِنْ قَبْلِهِمْ وَمَا بَلَّغُوا مِيعَتَنَا مَا عَاتَيْنَهُمْ فَكَذَّبُوا رُسُلًا

Introduction of Salaat (Namaaz) and its impact on human life

This is the second of the five fundamental principles of Islam. It should be noted that in the journey during Meraj the daily 5 times daily Salat was made mandatory on all the Muslims. This was one year before the migration to Medina.

Praying five times a day in a prescribed manner called the "Salat" (Namaz). This is an extremely important tenet of Islam and has been enjoined with great emphasis both in the Holy Quran and the sayings of Prophet Mohammad (saws). If a man is not reciting salat must be considered as soulless man.

In Islam the prayer gives strength not only to the soul but also it illuminates the body of a person. Salat also allows a person to directly communicate with his Lord and does not allow anybody to come in between. The Salat impresses upon his mind that he is the humble servant of the Great and Glorious Lord. This is also very clear that salat is a very important principle and being referred in quran in various places in ayats. Some ayats are mentioned below.

Surah No. 2, Al Baqara

وَأَقِيمُوا الصَّلَاةَ وَآتُوا الزَّكَاةَ وَارْكَعُوا مَعَ الرَّاكِعِينَ (42)

And be steadfast in prayer; Pay Alms (Zakat) regularly; and bow down with those who bow down (in worship).

Surah No. 107, Sura al Ma'aoun,

فَوَيْلٌ لِلْمُصَلِّينَ (4) الَّذِينَ هُمْ عَنْ صَلَاتِهِمْ سَاهُونَ (5) الَّذِينَ هُمْ يُرَاؤُونَ (6)

Sorry for those performers of salat. Who delay reciting of their salats. Those who want to be seen (by other men).

Hadith:

The Prophet (saws) said, "The hypocrite (Munafiq) keeps sitting at the time of Asar, witnessing setting of the sun and then recite it very late and while reciting does not get time to remember Allah properly". (Sahi Bukhari)

Please remember the following before you go to recite the Namaz.

The Impact of Prayer on the Individual and Society

Prayer is one of the five pillars of Islam and the first act that a person will be held accountable for on the Day of Resurrection. If it is approved, any other act would be so and if not,, any other act would be disapproved. Prayer is the best and most significant deed for those who seek closeness to the Almighty Allah. In a Qudsi hadith, the Prophet (peace be upon him) said that the Allah says: "I have divided the prayer into two halves between me and my servant, and my servant will receive what he asks. When the servant says: Praise be to Allah, the Lord

of the universe, Allah the Most High says: My servant has praised me. And when he (the servant) says: The Most Compassionate, the Merciful, Allah the Most High says: My servant has lauded Me. And when he (the servant) says: Master of the Day of Judgment, He remarks: My servant has glorified Me. And sometimes He would say: My servant entrusted (his affairs) to Me. And when he (the worshipper) says: You do we worship and of You do we ask help, He (Allah) says: This is between Me and My servant, and My servant will receive what he asks for. Then, when he (the worshipper) says: Guide us to the straight path, the path of those to whom you has been Gracious, not of those who have incurred your displeasure, nor of those who have gone astray, He (Allah) says: This is for my servant, and my servant will receive what he asks for.” (Muslim)

No wonder that the Qur'an has mentioned that “keeping prayer up” as the first and last attribute of the believers. The Qur'an reads in *Surat Al-Mu'minun* (the 23rd Chapter of the Qur'an):

Certainly will the believers have succeeded? They who are during their prayer humbly submissive.(Al-Mu'minun 23:1-2)And ends this attributes with His saying:And they who carefully maintain their prayers. (Al-Mu'minun 23:9)

This is a clear indication to the status of Prayer in the life of the individual and the Muslims community in general.

There is a misconception among people that prayer and other religious rites just represent a mere spiritual relationship between the slave and His Creator. This is relationship is irrelevant to the individual, and the society's affairs, economic, social, and political affairs. This is what the enemies of Islam want to convince us with, to keep prayer out of its proper context. In this way, the prayer would become mere physical movements offered without consciousness or devotion to the Almighty Allah, which makes it useless in the life of the Muslims and the community in general.

The impact of prayer is not limited to the place of prayer (mosque), but exceeds it to the different fields of the society to maintain the social life as the Almighty Allah commands. Therefore, the prayer, in its educational and social sides, urges people to help each other and feed the poor. The Almighty Allah says:

Have you seen the one who denies the Recompense? For that is the one who drives away the orphan. And does not encourage the feeding of the poor. So woe to those who pray [But] who are heedless of their prayer. Those who make show [of their deeds]And withhold [simple] assistance. (Al-Ma'un 107)

Therefore, the praying person always abides by the Islamic morals while dealing with others. He is supposed to avoid insults, lies, backbiting, or saying something evil to others. Instead, he is required to spread goodness and virtues among people. Also, prayer has been linked with restraining one's hand from injustice and aggression. The Almighty Allah say

Have you not seen those who were told, “Restrain your hands [from fighting] and establish prayer... (An-Nisaa' 4:77)

The Muslim, during his prayer, always remembers Allah, His commands and prohibitions. We read in the Qur'an: establish prayer for My remembrance. (Ta-Ha 20:14)

In this way, crimes would be prevented, and peace would prevail in the society. So Islam urges Muslims to pray in congregation and ordering the lines to spread the spirit of harmony and brotherhood, and instill discipline and order among them.

In short, the effect of prayer is certainly not confined to the individual only. It encompasses a wide range of social domains, so that the life is organized and straightened according to Allah's will.

The individual and the community that observe the prayer are centers of enlightenment, human reform and uprightness, because prayer cultivates deep the following inside man:

A. Conscious awareness through continual worshipping of Allah, fear of committing sins and shame of disobeying Him.

B. Desire to repent and turn to righteousness by continually asking Allah's forgiveness of sins and seeking refuge with Him from committing further sins.

C. Love of good for others and keeping away from bearing grudges and egoism which are the source of evils and human misadventures in all of life is domains.

In the prayer, the worshipper asks good for all people. He or she requests for them goodness and forgiveness. Consequently, feelings of love and benevolence in their broader, general social context are encouraged.

Step by Step Salah Prayer

In this article we will be revealing how to perform salah for beginners with step by step guide.

Once you have made **wudu**, you can start **salat prayer** however there are some check points such as clothing and overall body chastity.

Requirements for men and women differ thus we have listed down requirements for both of them.

1. In order to perform salat prayer, males must wear proper dress which covers them from shoulders to ankles. Normally, men have to wear any clothing that covers them from navel to the knees but for praying salah, they must cover shoulders to ankles.

2. Females have to cover all the body including their head. The only areas that can be left uncovered are face, hands and according to Imam Abu-Hanifah the toes and a portion of the front of the feet.

Step by Step Salah Prayer: Here is how to pray in Islam for beginners

1. **Stand Upright for Salat:** You need to stand upright facing the direction of Al-Ka'bah which is known as Qiblah in Arabic. This particular position is known as Qiyam.

2. **Niyah (Intention for Salat):** Now it's time to make Niyah (intention). Intention will be in your heart for the prayer you want to pray at that time.

3. **Takbeer e Tehreema:** After you have made Niyah you now need to raise your hands to your ears and say: "Allahu Akbar" which is also known as Takbir e Tehreema.

Takbir is praise of Allah that means Allah is the Greatest.

4. **Qiyam:** Once you are done with Takbir, place both your hand on the naval with right hand over the left. Place three fingers of right hand on the back of left hand wrist. And hold the left hand with thumb, little finger and palm of the right hand. Look downward where your forehead will touch the ground and recite the following:

Thana (Sana):

سُبْحَانَكَ اللَّهُمَّ وَبِحَمْدِكَ وَتَبَارَكَ اسْمُكَ
وَعَالَى جَدُّكَ وَلَا إِلَهَ غَيْرُكَ

And then Surah Fatiha:

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ
الْحَمْدُ لِلَّهِ رَبِّ الْعَالَمِينَ (1) الرَّحْمَنِ الرَّحِيمِ (2) مَلِكِ يَوْمِ الدِّينِ (3) إِيَّاكَ نَعْبُدُ وَإِيَّاكَ نَسْتَعِينُ (4) اهْدِنَا الصِّرَاطَ الْمُسْتَقِيمَ
(5) صِرَاطَ الَّذِينَ أَنْعَمْتَ عَلَيْهِمْ غَيْرِ الْمَغْضُوبِ عَلَيْهِمْ وَلَا الضَّالِّينَ (6)

5. **Quran Recitation:** Now you need to recite any surah or passage of minimum 3 ayah from the Holy Quran.

6. **Ruku:** Once you have completed the surah you need to bow down while saying "Allah hu Akbar". Hold your knees tightly with your hands recite the following ruku dua three, five or seven times.

سُبْحَانَ رَبِّيَ الْعَظِيمِ

Glory be to My Lord, the Great.
(Tirmidhi, Vol. 1, Pg. 35)

7. Raising from Ruku: Now it's time to stand-up from the bowing position and recite the following:

سَمِعَ اللَّهُ لِمَنْ حَمِدَهُ ، رَبَّنَا لَكَ الْحَمْدُ
 Allah hears the one who praises Him,
 Our Lord, to You be the praise

QAYYAM
Posture 4
Instructions:
 While rising from the bending position of Ruku', recite
 سَمِعَ اللَّهُ لِمَنْ حَمِدَهُ
 SAMI 'ALLÁHU LIMAN HAMIDAH
 Allah has heard all who praise Him
 رَبَّنَا لَكَ الْحَمْدُ
 RAB-BANÁ LAKAL HAMD
 Our Lord: Praise be to Thee
 Then return to standing position, arms at side
Recitation
 ALLÁH AKBAR
 Allah is the greatest
 and move to next position

اللَّهُ أَكْبَرُ

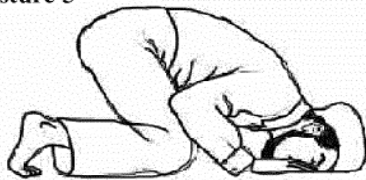

8. Sajdah (Prostration): It's time to prostrate to the floor. In this step you need to make sure that your forehead, nose, palms of both hands, your knees, and toes should touch the floor. While going down you should recite "Allah u Akbar". Once you take the right position for Sajdah, you need to recite the following prayer 3, 5 or 7 times:

سُبْحَانَ رَبِّيَ الْأَعْلَى

Glory be to My Lord, the Most High.
 (Tirmidhi, Pg.35)

"Subhana Rabbial Aa'la"

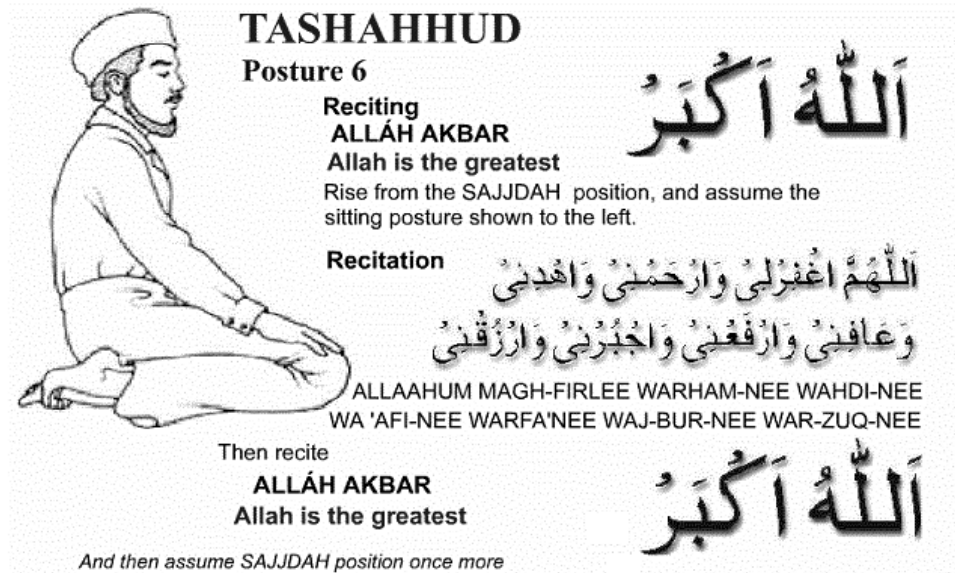

SAJJDAH
Posture 5

Instructions:
 Go down to a kneeling position by placing both hands on knees, lowering oneself slowly and easily onto knees, then touch the head upon the ground so that the following seven body parts are in contact: forehead, two palms, two knees, toes of both feet

Recitation
 Recite 3 Times
 سُبْحَانَ رَبِّيَ الْأَعْلَى
 SUBHÁNA RÁB-BI-YAL A'ALÁ
 Glory to my Lord, the most high

Now it is time to sit up while reciting “Allah u Akbar”. You have to sit on your knees and palms placed on them.

Now stay in this position for 1 to 2 seconds. Then go to prostration (sujood) again. This will be the second sujood. This will complete the first Rak'ah of your salah.

9. Starting Second Rakah: After second prostration, you have to stand up again (while saying Allah o Akbar) to start second rakah. Remember that you need to repeat all these actions for the rest of the Rak'ahs. But for the rest of the rak'ahs you do not have to recite **Thana** in the beginning.

10. Tashahhud: After second sujood of second rakah, you have to sit on your knees in the same position as described above and recite the following dua known as **At-Tahiyyat**:

التَّحِيَّاتُ لِلَّهِ وَالصَّلَوَاتُ وَالطَّيِّبَاتُ، السَّلَامُ عَلَيْكَ أَيُّهَا النَّبِيُّ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ، السَّلَامُ عَلَيْنَا وَعَلَى عِبَادِ اللَّهِ الصَّالِحِينَ،
أَشْهَدُ أَنْ لَا إِلَهَ إِلَّا اللَّهُ وَأَشْهَدُ أَنَّ مُحَمَّدًا عَبْدُهُ وَرَسُولُهُ

Translation:

All compliments are due to Allah, all pure things are due to Allah, all pure words are due to Allah, all prayers are due to Allah. Peace be upon you, O Prophet, and the mercy of Allah and His blessings. Peace be upon us, and on the righteous slaves of Allah. I bear witness that none has the right to be worshipped except Allah, and I bear witness that Muhammad is His slave and Messenger.

”Remember: When you start saying following words from Attahiyyat dua:

“Ash Hado Alla Ilaha Illallaho,
Wa Ash Hado Anna Muhammadan Abduhu Wa Rasooluhu”

Turn your hand into fist and raise the index finger; and convert the hand into previous position while your finish saying the above mentioned word

11. Durood e Ibrahim: Once you have recited the above dua, you have to recite Durood e Ibrahim which are as follows:

اللَّهُمَّ صَلِّ عَلَى مُحَمَّدٍ وَعَلَى آلِ مُحَمَّدٍ
 كَمَا صَلَّيْتَ عَلَى إِبْرَاهِيمَ وَعَلَى آلِ إِبْرَاهِيمَ
 إِنَّكَ حَمِيدٌ مَجِيدٌ.
 اللَّهُمَّ بَارِكْ عَلَى مُحَمَّدٍ، وَعَلَى آلِ مُحَمَّدٍ
 كَمَا بَارَكْتَ عَلَى إِبْرَاهِيمَ وَعَلَى آلِ إِبْرَاهِيمَ
 إِنَّكَ حَمِيدٌ مَجِيدٌ.

12. Salam: After reciting the dua mentioned in last step, you will offer salam to both right and left shoulders. First face right, looking shoulder and recite:

“Assalam o Alaikum Wa Rahmatullah”

Then to the left side, looking at the shoulder and recite once again: “Assalam o Alaikum Wa Rahmatullah”

This was the complete procedure for two rakah salat.

3 Rakat Salat Prayer:

- 3 Farz Maghrib
- 3 Witr Isha

If it is a 3 rakah salah, then after reciting At-Tahiyyat dua (in the same way as described above) after second rakah, you have to stand up to start 3rd rakah. Do not say Sana, recite Surah Fatiha and a surah or a passage from Qur'an, complete 3rd rakah with 2 sujood and then sit on your knees.

Since this is the last (3rd) rakah of this salah, you would continue to recite Durood e Ibrahim after reciting At-Tahiyyat and then recite the rabbij alni dua (as described in 2 rakah salah) and then say Salam on both shoulders (as described above in 2 rakah salah).

This is the way to complete 3 rakah salah.

4 Rakat Salat Prayer:

- 4 Sunnah Zuhr
- 4 Farz Zuhr

- 4 Farz Asr
- 4 Farz Isha

If it is 4 rakah salah, you would continue to start fourth rakah. You have to stand up after the two sujood of third rakah and complete the 4th rakah with its two sujood, then sitting on knees and complete the procedure of last rakah by reciting At-Tahiyyat, Durood e Ibrahimi and then rabbij alni dua.

Then say salam on both sides while looking at right and left shoulder each time (as explained above).

This was how to perform 4 rakah salah.

Dua:It's the time for Dua where you are going to talk to your Allah in private. It is the last thing of your salah and after that your prayer will be complete.

Ask ALLAH (SWT) for any legitimate thing you need or you want.

Islam is the 2nd largest religion in the world. Salah, Fasting, Hajj, Zakat and Tauheed are the five pillars upon which Islam stands. Each and every pillar of Islam is equally important. Thus it is significant to make sure that each and every Muslim knows how to offer salah.

Rules regarding salaah times

The five daily prayers are obligatory (*fard*) and they are performed at times determined essentially by the position of the Sun in the sky. Hence, salat times vary at different locations on the Earth. Wudu is needed for all of the prayers.

Fajr (dawn)

Fajr begins at subh saadiq—true dawn or the beginning of twilight, when the morning light appears across the full width of the sky—and ends at sunrise.

Dhuhr (midday)

The time interval for offering the Zuhr or Dhuhr salah timing starts after the sun passes its zenith and lasts until 20 min (approx.) before the call for the Asr prayer is to be given, This prayer needs to be given in the middle of the work-day, and people normally make their prayers during their lunch break.

Shia differs regarding the end of zuhr time. Per all major Jafari jurists, the end of dhuhr time is about 10 minutes before sunset, the time that belongs exclusively to asr prayer. Dhuhr and

asr time overlap, apart from the first 5 minutes of dhuhr, which is exclusively delegated for it. Asr prayer cannot be offered before zuhr in the zuhr time.

Asr (afternoon)

The Asr prayer starts when the shadow of an object is the same length as the object itself (or, according to Hanafi school, twice its length)^[citation needed] plus the shadow length at zuhr, and lasts till sunset. Asr can be split into two sections; the preferred time is before the sun starts to turn orange, while the time of necessity is from when the sun turns orange until sunset.

Shia (Jafari madhab) differs regarding start of asr time. Per all major Jafari jurists, start of asr time is about 5 minutes after the time of sun passing through zenith, that time belongs exclusively to dhuhr prayer. Time for dhuhr and asr prayers overlap, but the zuhr prayer must be offered before asr, except the time about 10 minutes before sunset, which is delegated exclusively to asr. In the case that the mentioned time is reached, asr prayer should be offered first (ada - on time) and dhuhr (kada - make up, late) prayer should be offered after asr.

Maghrib (sunset)

The Maghrib prayer begins when the sun sets, and lasts until the red light has left the sky in the west.

Isha (night)

The Isha'a or isha prayer starts when the red light is gone from the western sky, and lasts until the rise of the "white light" (fajr sadiq) in the east. The preferred time for Isha is before midnight, meaning halfway between sunset and sunrise.

وَلَا نَكْفُرُكَ وَنَخْلَعُ وَنَتْرُكُ مَنْ يَفْجُرُكَ
اَللّٰهُمَّ اِيَّاكَ نَعْبُدُ وَ اِلَيْكَ نَصَلِّي وَنَسْجُدُ وَ اِلَيْكَ
نَسْعُ وَنَخْشَى وَنَرْجُو اَرْحَمَتَكَ وَنَخْشَى عَذَابَكَ
