Q-10)Explain the impact of drug and gambling on society. (Aut-22)

Ans:Nowadays the youth society is suffering from various crises and problems, drugs and gambling are one of them. All types of drugs and gambling are forbidden in Islam, but losing religious values youth are involved in drugs and gambling. It has a bad effect on society.

A person becomes addicted to drugs due to various reasons like curiosity, family unpeaceful, drug addicted friends and neighbourhood, depression, failure, availability of drugs etc.

On the other hand gambling addiction is more serious than drugs. At first it is played out of curiosity but gradually it becomes an addiction. Many people are getting addicted to gambling for the extra income in a short period of time and this affects their family life, personal life, social life and National life.

Allah has ordered in the Holy Quran to abstain from drugs and gambling, because through it Satan creates division among people, keeps away from prayer and remembers of Allah.

So to create gambling and drug free society we have to create awareness among people about its bad and harmful direction.
